

The Spirit Hub Independent Distillery Preservation Fund (“The Fund”)

Mission Statement: The Fund’s mission is to play a role in alleviating the pressures facing independent distilleries across the United States by providing financial aid and additional resources to ensure the future growth of independent businesses and the industry as a whole.

About The Fund: After witnessing the widespread impact COVID-19 had on their community of craft distillers, Spirit Hub mobilized to launch [The Spirit Hub Independent Distillery Preservation Fund](#) as an answer to the challenging times we find ourselves in. The Fund is now led by a Board of Directors from independent distilleries and an Executive Director.

Our Goal: Before opening applications for independent distilleries, the Board of The Fund would like to fundraise \$100,000 in donations. This will aid our ability to have a tremendous impact on the distilleries from the start. With our initial \$10K being donated by Spirit Hub, we are looking to fundraise \$90,000 or more by March 31st 2021.

What Your Donation Does:

All donations will be used to support The Fund’s mission of helping independent distilleries through these tumultuous times and far beyond the COVID-19 pandemic.

How to Donate:

- Via Domestic Wire Transfer (follow [these instructions](#))
- Via Mailed Check (mail to below address)

ATTN: The Spirit Hub Independent Distillery Preservation Fund
6428 North Ridgway Avenue
Lincolnwood, Illinois 60712
